Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Wednesday 15 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy, showery weather moving eastwards. Dry, brighter weather following.

Today:
Dry, bright start in the east. Rather cloudy conditions with scattered showers in western areas, edging eastwards during the day. Dry weather with sunny spells following from west this afternoon and evening. Maximum temperature 18 deg C (64 deg F).

Tonight:
Any showers at first soon dying out to leave a dry night with clear periods. A few mist patches forming later tonight. Minimum temperature 8 deg C (46 deg F).

Thursday:
Dry morning with some sunshine, then becoming cloudy in the afternoon. Patchy light rain reaching Fermanagh later in the afternoon, extending eastwards during evening. Freshening southerly winds. Maximum temperature 18 deg C (64 deg F).

Outlook for Friday to Sunday:
Cloudy, wet Friday morning then drier, brighter weather following later. Sunny spells and scattered showers on Saturday, then another band of rain crossing from the west during Sunday.
